

(Orrick No. 701879.4008)

REMARKS

Claims 1-16, 23-26 and 27-35 have been cancelled from the present application because they are presented in other applications filed by the applicants. Claim 36 has been added to further define the applicants' invention.

In the specification, the reference to applicants' earlier applications has been amended to update the status of that application as having issued as patent number 6,623,510.

Dated: October 16, 2003

Respectfully submitted,
